Mr. Pat Roberts

Dedication

In the past three years, a teacher at Agua Fria has been very outstanding in all his work. He has given many students the inspiration needed to start their career and helped lead many other students to bring praise and honor to their school, Agua Fria.

He is more than just a teacher . . . he is a very good friend to us . . . the student body.

In all due respect and appreciation, we, the annual staff and the class of 1967 proudly dedicate the 1967 Wickiup to Mr. Pat Roberts.

Presenting . . .

Senior Memories. 1967

For Seniors, life at Agua Fria may seem to fade. Agua Fria is measured in minutes, hours, days, weeks, a semester . . . a lifetime. This lifetime of high school memories cannot really fade, they are a part of us . . . as we are a part of Agua Fria.

The formals, games, Homecoming, Prom, ditch day, queens, kings, couples on campus, Senior Hall, class chants, pep assemblies, the Don F. Stone award, championships and . . . victory! All of these things go into our treasure chest of memory . . . memory of Agua Fria.

We seniors cannot really leave Agua Fria nor can Agua Fria really leave us . . . for here is where we have become what and who we are. To be sure, next year underclassmen will carry on the proud tradition . . . the tradition of victory. And, to be sure, we seniors will graduate and leave. The memories may fade when compared to the important events of our life. And yet, there will always be a moment when something—an event, an experience, a reflection will become the key to our treasure chest and the memory of Agua Fria will again become bright.

To you, the underclassmen, we leave a legacy of many . . . the legacy of tradition and victory . . . guard it well so that in the hearts and memories of seniors to come, Agua Fria will always mean victory and a part of their life.

The Don F. Stone Award

Each year an Arizona high school is presented the Don F. Stone award for sportsmanship and athletic excellence. Agua Fria has long been synonymous with victory and with the beginning of school the presentation of the "Stone Award" again started the red and gray along the victory path.

The Don F. Stone award proved what every student at Agua Fria knows Agua Fria means victory.

Well,
Freshmen.

As School Began . . .

As the 1966 school year started at Agua Fria, students met new friends and became reacquainted at many social events . . . the first dances were held after athletic contests and as far as fun and play were concerned, the school year had started.

As the first fall days began to go by, students also turned to more serious matters. Agua Fria's student government began operating under a brand new constitution; tackling the serious problems of the school with enthusiasm and experience.

SECOND IN THE STATE!

Under Coach Glen Hamby, the mighty red and gray have become a football legend—with a tradition of an undefeated season and a co-championship behind them, Agua Fria this year went all of the way to the state where the Owls narrowly missed becoming number one in Arizona.

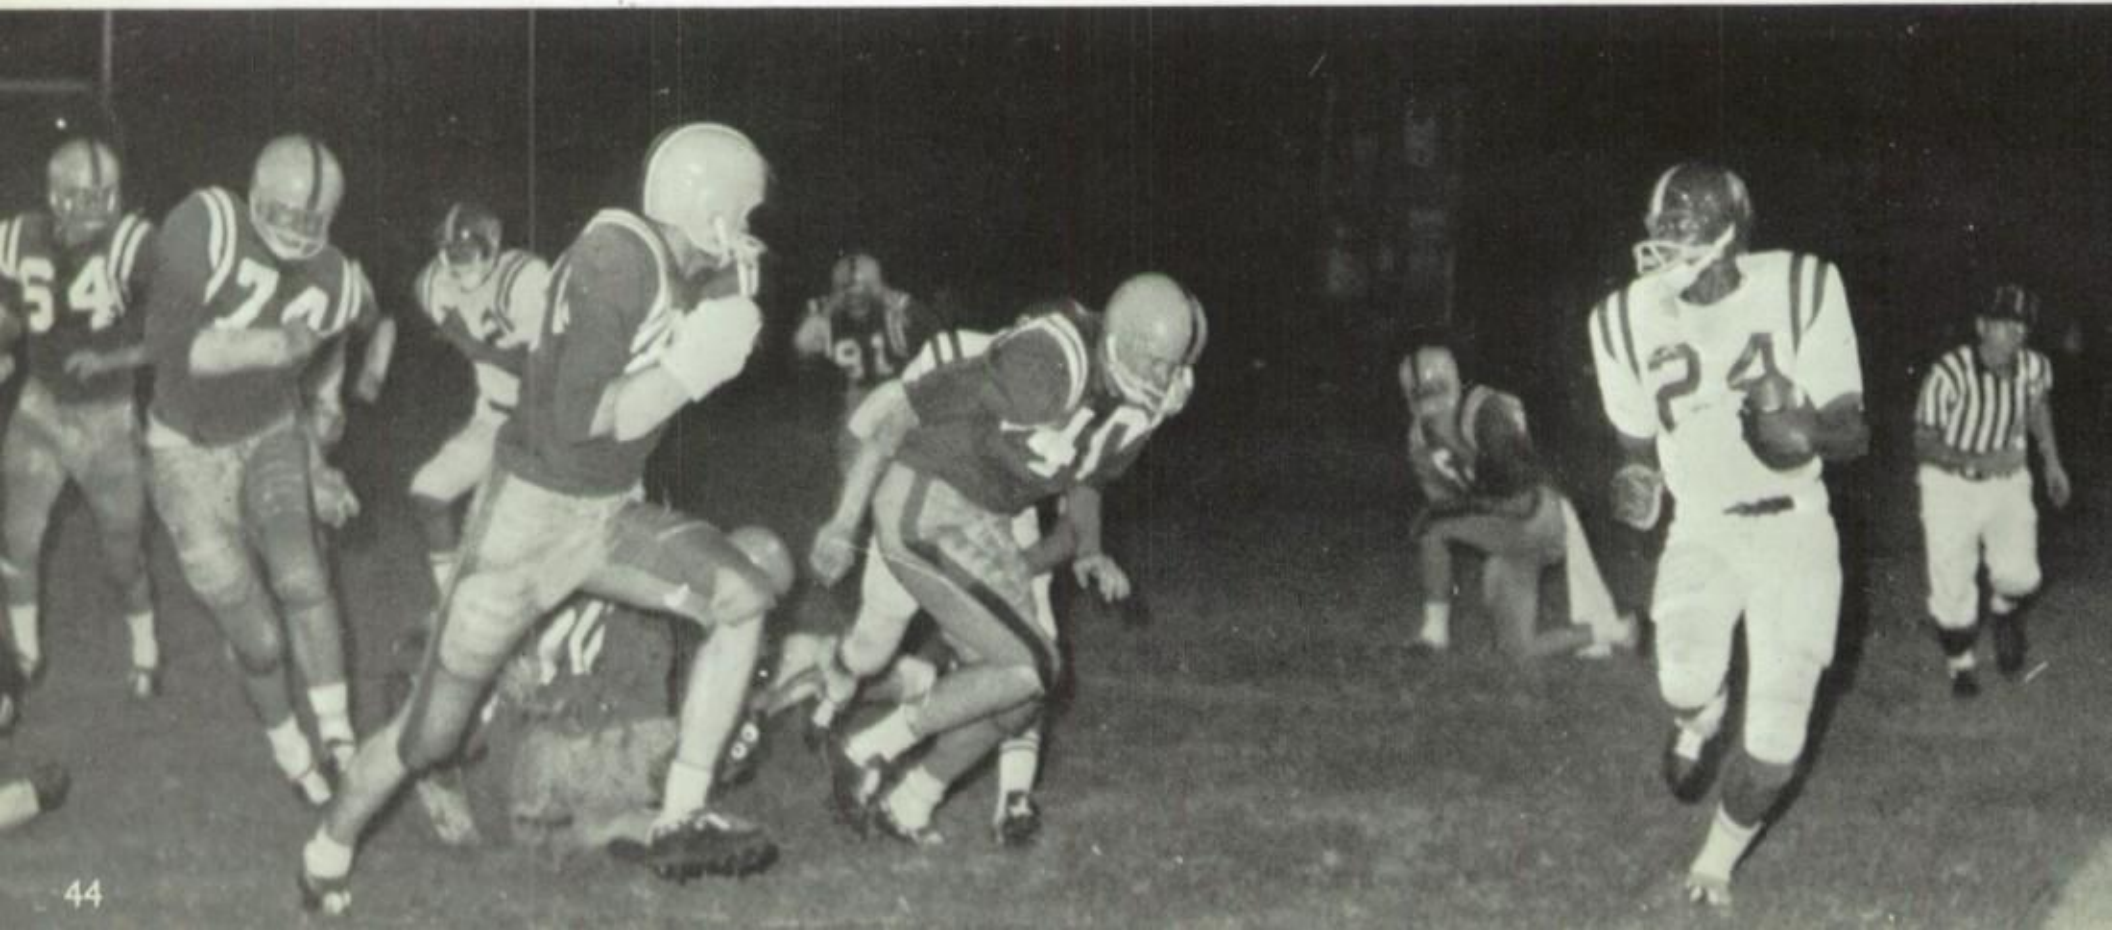

The tradition of victory starts soon at Agua Fria, usually with the first football game . . . and it lasts throughout the year.

The Year Of The Big Man!

Coach O. K. Fulton's championship clubs of previous years have been noteworthy due to their smooth and poised play. This year the winning record was just as impressive but the style of play somewhat different.

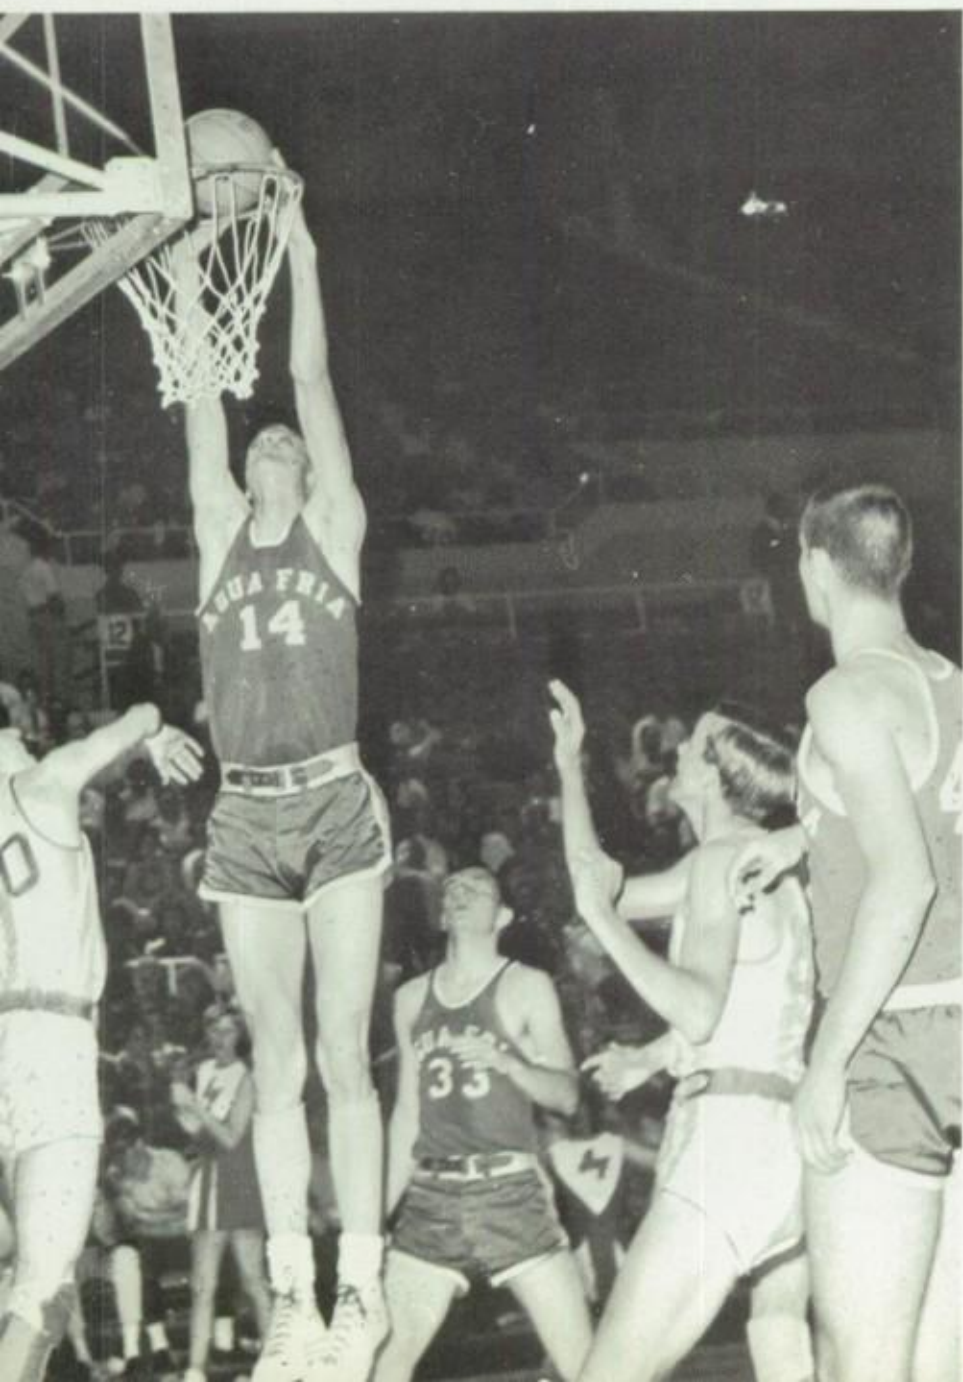

Agua Fria relied mainly on the sheer brute strength and rebounding ability of their big men, Mike Bowling and Dennis Ritzler. Aiding the two senior stars were Odis McCowan, Ken Searls, Mike Cons, Chuck Fought, Bart Mitchell and George Buttes.

Before losing their final game of the season for the state championship, Agua Fria swept to an undefeated season in conference play and ended with a 23-2 season record.

Spring 1967

SPRING

And The Homestretch

As spring sprung and all was well ... well, different clubs and organizations increased their tempo of activities.

Two typical groups were the Agua Fria Hiking Club and the AF Speech Team. The Hiking Club once again proved the spirit of adventure and outdoors is popular with youth. The speech team competed on a par with AA schools.

Are high school seniors
ready for their own
checking account?

**FIRST
NATIONAL
BANK**

thinks so!

Today, high school seniors have developed a sense of responsibility that includes a desire to manage their own financial affairs.

To encourage this desire for sound money management First National suggests you inquire about an inexpensive Custom Checking Account at any office of the bank where you come first.

If you plan on attending college in Arizona, be sure to ask about First National's free college checks and checkbook covers.
